This year's headliners are...

Senior Performing Arts Showcase

Kicking off the festival, senior pupils from Music, Dance and Drama will showcase their skills and performances.

Tickets are available from reception.

Piping & Drumming Recital

Join our renowned Strathallan School Pipe Band for an evening of tunes and performances.

Folk Night

Members of our newly reinvigorated Folk Band will play a selection of foot-tapping tracks live.

SPS Performing Arts High Tea

Prep school parents are warmly invited to join us for an afternoon tea with an entertaining twist – an array of performances from our drama and music departments.

Please contact the Prep School to reserve your tickets for this event.

Inspiration Orchestra

Join us for an uplifting collaboration between the Inspiration Orchestra and Strathallan's own Jazz Band, Prep School Orchestra and Prep School Choir.

101 Musicians

With verve and ambition, the Music department will embark upon a full day of performance; 101 musicians to mark 101 years of Strathallan on site at Forgandenny.

Legally Blonde

The second term musical is firmly entrenched as a highlight of the Strathallan year and it is no surprise that Legally Blonde features so prominently in this celebration.

Tickets are available from reception.
Early booking is strongly recommended.

SPS Piping and Drumming Day

Youngest members of the school will get the chance to pick up the pipes and drumsticks as they engage in a fun-filled day of workshops and activities with the Piping and Drumming instructors.

Rock Night

The Performing Arts Festival will close with an exciting event for the pupils; a night of rock, pop, soul and punk music which will be a spectacular way to close another busy term.

The evening will be headlined by our two Senior Rock bands featuring a full live horn section, who will be performing an eclectic selection of tunes, ranging from Bon Jovi to Prince to The Wombats.

Behind the scenes

Art Scholars at Strathallan

Our Art scholars are currently working with Edinburgh based, London artist Jenna Waldren, a graduate from Edinburgh College of Art.

The students will be challenged to capture an interior space from a place in their own lives. We are excited to see how our Art scholars respond to this brief and hope they will produce some thought provoking outcomes whilst learning some new technical skills along the way.
